

INTERNATIONAL FACULTY

Our International Faculty provides pre-degree Russian language courses from elementary to advanced levels for applicants with no or insufficient Russian language skills. As part of the preparation course, degree-related subjects taught in Russian will also be studied.

- Engineering and IT
- Business and Economics
- Humanities
- Life science and Biomedicine
- Natural Sciences

Upon completion of the courses the students should be ready to enter the degree programs taught in Russian at DSTU or any Russian university.

The academic year starts in September.

The language course duration is 10 months (a full course). Students who arrive after December 1, are expected to opt for a 1.5 year language program.
